Workshop Class

Basic/Intermediate

This class is for dancers who want to improve their knowledge and execution of the common steps and formations, and be introduced to some of the more advanced formations.

Advanced

This class is for dancers who can consistently execute all steps and formations to a high standard of dancing and who welcome the challenge of more advanced technique improvement. Dancers will be expected to be able to sustain a high level of dancing for the entire class. This class will be divided into two to maintain a good teacher to student ratio.

****For the enjoyment of all dancers, please choose the class that is the best suited to your current dancing skills.****

The Teachers' Class is open to all who teach SCD and those who are pursuing their Level 1 Certification.
